

Pink Robin

20th & 21st January 2021

with...**Jan Pilgrim**

Two day workshop

A Surface Stitchery project

Pink Robin is stitched on a silk background which is painted with water colour pencils.

This beautiful project includes surface stitchery and stumpwork techniques.

Students will be learning these different styles of embroidery gaining confidence so they feel comfortable to enjoy and develop their skills. The painted background is an additional technique to add to their toolkit.

Suitable for all levels of experience
