

Fascinating French Floral Style Project Box

18th - 19st January 2021

with... **Susan Barker**

Two day workshop

Making a Decorated Project Box.

Susan has designed a 20cm square project box in my Fascinating French Florals style.

In a two day Summer School workshop you will make the Embroidered Patches to decorate your box.

Susan will demonstrate the making of this simple box, some may complete the project but some may still be working on the embroidery.

This is a totally hand stitched workshop, the embroidery and the box construction
