

Art Nouveau Glasgow Style Peacock Etui

16th - 17th January 2021

with... **Jenny O'Sullivan**

Two day workshop

Embroider an intriguing small folded box or etui in wonderful art nouveau - Glasgow style peacocks using vibrant -coloured, silk, etoile and cotton variegated threads from The Threaded Needle to create lovely textured stitches. The embroidery will be highlighted with fine gold thread. The peacock designs will enthuse and inspire to create, as some of my previous students have said, "not something to hang on the wall"

Students will embroider and construct an intriguing folding box etui.

Embroidery will use various surface stitches such as satin, stem, feather, back, pulled thread and many others. Some organza appliqué will also be used.

Designs will be taken from various art nouveau and Glasgow style peacock both traditional and contemporary using a variety of silk and cotton threads which will be available in the kit.

Jenny's exciting class will enthuse and inspire students.

*This workshop will suit
intermediate and
experienced levels of skill.*
