Guild Workshop

REMEMBERING MISS FIELD

with... **Jenny O'Sullivan**

Sat 22nd & Sun 23rd Oct 2022

Two Day Workshop

With the introduction of the first Roma Field competition, Jenny would like to conduct this workshop as an introduction to Miss Field, her fascinating story, her contribution to our Embroiderers' Guild and most important of all her wonderful embroidery.

We will also examine the criteria and information relating to the first Roma Field Competition to be conducted by the Guild in October 2022.

In the workshop you will construct a bag approx. 34cm x 39cm embroidered in the traditional Deerfield style as used by Miss Field and explore and work with her choice of stitches as well as adapting her designs to suit your own favourites.

You can look up some of Miss Field's bags on pages 110 and 118 in her book "A Lifetime of Embroidery" copies of which are available in the guild library.

We will also look closely at some of her wonderful pieces which we have in the Guild Collection.

A workshop I am sure you will all enjoy.

This workshop suitable for all skill levels
