CROSSBODY BAGS

with... **Susan Barker**

Two Day Workshop

...this workshop is conducted on two Wednesdays, giving an opportunity to do some stitching in between...

12th January 2022

and

19th January 2022

Make one or more, BRIGHT OR SUBTLE, crossbody bags to MATCH OR CONTRAST with your outfits.

A chance for you to select from your own fabric, thread and "must buy" stash! OR GO SHOPPING!!!

The samples are made from, mostly, 100% cotton 'fat quarters' and some decorator samples or remnants.

They are all enhanced with **SURFACE STITCHERY EMBROIDERY.**

A chance to try something different with stitch.

These bags are ideal accessories, light weight and are useful for holding our basic items - phone etc. As they are worn rather than carried, hands are free!
