# Eucalyptus Wall Hanging

with...Jan Pilgrim

20<sup>th</sup> – 21<sup>st</sup> January 2022

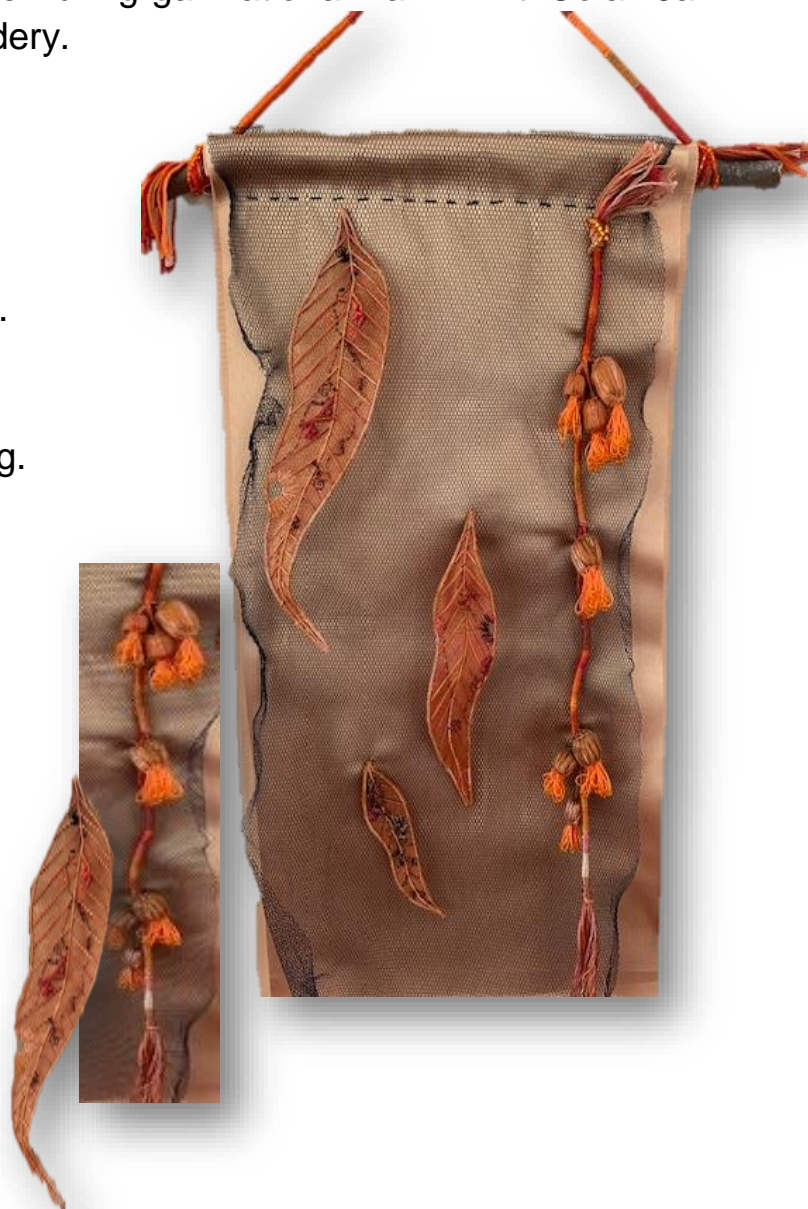

**Two Day Workshop**

10.00 am to 3.30 pm with ½ hour Lunch break

Jan is inspired by trees, especially Eucalypts as you can see in this wall hanging. Influenced by the Kuring-gai National Park in Mt. Colah Jan has designed this embroidery.

This is a Stumpwork project. It features 3-D leaves and gum nuts created by wrapping and some beading techniques. These add further dimension and visual interest to the wall hanging.

During this workshop, Jan will teach different embroidery stitches and techniques. You will use a variety of threads to gain further interest which add texture and form to the embroidery.

*This workshop will suit all levels of skill.*
