2 Day Workshop
Saturday 18th January &
Sunday 19th January

A fascination with Hedebo embroidery has seen Michelle visit Yuki Pallis private museum in Japan in 2019 and more recently the Greve Museum in Denmark. Michelle drawn inspiration from pieces in these collections to develop new designs.

Hedebo embroidery is a traditional whitework embroidery that originated in Denmark in the mid 18th Century. Featuring Hedebo rings made by a unique Hedebo buttonhole stitch, a beautiful needlelace design is created and inserted into a small bag. This design inspired by the Hedebo exhibition in the Greve Museum, Denmark.
